

# How to Make Your Own Sanitizer Wipes

## INGREDIENTS

- A coffee can
- A roll of paper towels
- A sharp knife
- ½ cup vinegar
- ¼ cup water
- ¼ cup rubbing alcohol
- 1 teaspoon dish soap
- Essential oil (optional)

## INSTRUCTIONS

**STEP #1:** Cut the roll of paper towels in half (to fit in coffee can).

**STEP #2:** Mix all ingredients together.

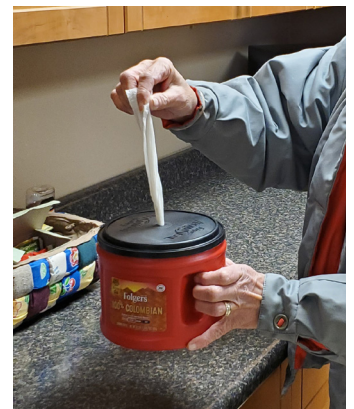

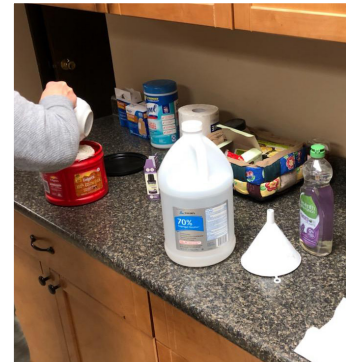

**STEP #3:** Pour over towels in can.

**STEP #4:** Replace cover and let sit for a minute. (You may want to rotate can a few times to be sure towels soak up the liquid.)

**STEP #5:** Remove cover and gently remove the towel core.

**STEP #6:** Cut out a small hole in top of can.

**STEP #7:** Pull a sheet from the middle of the paper towel roll through the hole and replace top. Enjoy!
